What do I need to take home from this passage?

For review and further reflection on 1 Thessalonians 5:12-24 . . .

- 1) What are practical ways to “respect” and hold leaders “in highest regard in love?” Cp. Phil. 2:19-30; 1 Tim. 5:17-20; Heb. 13:7,17
- 2) How are you learning to respond to the types of people mentioned in vv. 14-15? Who are the easiest to serve? The hardest?
- 3) How have you experienced vv. 16-22?
- 4) What encourages you the most in vv. 23-24?
- 5) What challenges you in this passage?
