

Restoration/Renewal @ The Haven

PURPOSE

The Haven is a ministry of Cayucos Community Church (CCC) to bring rest and refreshment to vocational servants of God. We view this in the spirit of Jesus' command to His disciples: *"Come with me by yourselves to a quiet place and get some rest"* (Mark 6:31, NIV). Our intent is to provide a quiet place for rest, relaxation, restoration and reinvigoration that will help you return to ministry with a refreshed body, mind and spirit. While we recognize vacation time is necessary, our intention is that your stay will include specific time to intentionally seek spiritual refreshment and reinvigoration.

PROPERTY

The Haven is a 2-bedroom, 1 bath home with full kitchen one block from the beach in Cayucos, CA. It's a fully furnished quaint beach cottage. One bedroom has a queen bed, the other a daybed with trundle. A TV and DVD player are provided. There is no cable or internet connection. The kitchen is fully furnished and includes staples like salt, pepper, sugar, and some basic spices, though food is not provided. You are welcome to use whatever staples you find. A Keurig coffee maker is provided but you will need to provide your own K-cups. We request you remove or dispose of all perishable food at the conclusion of your stay. Detergent is provided for the sink, dishwasher and washing machine. Linens are provided. We require that you launder sheets and towels before departure. We provide the house "as is," and request that you leave it as you find it. A guide sheet for check-in and check-out is provided in the welcome notebook in the house. Please respect that we are drug, smoke/vape and pet free.

RESERVATIONS

You may request use up to 6 months in advance using the reservation request form on our website (cayucoschurch.org; click on the link to The Haven). Reservations will be accepted for a minimum of 5 nights and maximum of 7. Priority will be given to missionaries supported by CCC and EFCA pastoral families. In order to share the opportunity widely, we will only honor one request within any 24-month period (exceptions will be made for our supported missionaries). If we have available time we will consider an additional stay in that 24 month period but will not confirm it more than 30 days in advance. All confirmations are at the sole discretion of CCC as to dates, duration and fees.

COST

The Haven is a gift of refreshment made possible by the CCC family. The only charge will be a non-refundable \$140 reservation/cleaning fee which must be submitted to confirm your reservation. (Though we ask you to leave the home in as-you-found-it condition, we hire a professional cleaning service to ensure it is in great shape for you and subsequent guests.) For CCC-supported missionaries, the fee is waived. Donations are not expected but will be accepted for the fund that sustains operation of The Haven.
