

Know God - The Limits

The Quest

Problem: we think we know God (more than we do)

Problem: we can't know God on our own.

Matthew 11:27

Incomprehensibility of God = He is knowable to a degree and in certain ways, but ultimately, He is past finding out.

Adventures with Habakkuk (chapters 1 & 2)

Adventures with Job (11:7-11; 42:1-6)

You won't find **answers** to every question.

You will discover that you don't always need answers,
because God is **present**.

Isaiah 40:13-14, 25-26

Romans 11:33-36

unsearchable = impossible to find the depth or
end => **incomprehensible**

unfathomable = impossible to plot, travel or trace
to the end

in little words: **we can't get it all**

We can't get to know God while trying to give Him **advice**.

Rather, it should bring us to **worship**!

Make a choice

Commit to know God as He reveals Himself.

Start with trust.

Matthew 11:28

Lu 18:16-17

Where you struggle, do it toward God.

Keep focused on where to (and not to) boast.
