

Know God - the Essential Attitude

Super Bowl attitudes

**To know God, we must battle a fundamental attitude:
pride**

A confounding oxymoron: people who get proud about knowing God.

You can't really know God and be arrogant simultaneously.

Proverbs 6:16-19: God hates haughty eyes

James 4:6: God is opposed to the proud

My heart cannot be what God opposes and expect to know Him - until I humble myself.

The example of Jesus

Philippians 2:5-11

I must embrace God as the center of my universe

It requires humility to exalt another.

God did not exalt Jesus until after He humbled Himself.

Where does the struggle come from?

God is wild!

Our common concept of love needs to be exploded.

Isaiah 48:11

Isaiah 45:5-7

A regular reminder (of humility)
