Why do we do what we do?

Story

Roots

Why are roots valuable?

Plan "A" and no Plan "B"

Boots

People God used and where they went

The computer analogy

<u>Shoots</u>	<u>transforms</u> lives,				
plant style	shapes our <u>service</u> ,				
	launches us on <u>mission</u>				
don't forget the "oops"	Wrestling with the constraints				
	Resurrection				
Drama Efforts to knock off course	Redemption				
	Workings of the Holy Spirit				
Intention: strengthen and encourage	Gospel expansion is not the result of <u>human</u> strength or ability - then or now.				
	Acts 1:8				
1 Corinthians 10:6, 11	Acts 28:30-31				
Gospel <u>centered</u>	Fresh motivation to testify and then trust God to work
