6. In verses 13-16, why do you think Peter chose the names for Jesus that he did? How do they further his argument in the message?
7. Reread verses 17-26. What stands out to you in this part of his message? How did it go to the heart of those who were listening?
8. How does Peter lay out God's plan for sending the Gospel to both Jew and Gentile in this section? How is it fulfilling the Covenant God made with Abraham? How are we still part of the story?
9. What do you think is necessary to build a bridge to our culture over which the Gospel can pass?
10. What would you like to discuss that hasn't already been engaged in this study?
11. What do you want to keep thinking about or study further from this discussion? What is your best take-away?
