

Here are 3 great worship songs that connect with this week's message. Each week, along with the posted message, I will provide some songs with YouTube links to enhance your worship. Just listen. Sing along. Let them minister to your heart and mind. I'll try to include some different styles of music, some songs that are familiar, and maybe some that are new. **How do you get to these songs?** Usually you can hold down the control key and click on the link and it will launch in the browser. If that doesn't work, copy the link and paste it in your url box in the browser. Enjoy your virtual worship!
