

Don't Mess With God's Power, pt 2 (Acts 19:11-20)

1 million volts of electricity

Review

Usurp God's power at your own risk (19:11-20)

Power of God meets the power of Satan

3 impacts of the power of God

1. Triumph over the evil one (11-16)

Stealing God's miraculous power is dangerous.

Demons *know* and *recognize*

God preserves and protects what is His.

2. Conviction & confession lead to substantive life change/obedience (17-19)

Genuine heart-change results in action!

We don't dump the vestiges of the flesh easily or quickly.

Do you have some "garbage" you need to burn?

Satan has power. God's is greater!

3. The gospel continues to spread mightily.

Let's get personal

Humility (Phil 2:3-4; Prov 13:10a)

Patience (Prov 13:16; 14:17)

Perseverance (2 Pe 1:5)

Take it home (see Prov 14:26)
