

Jeremiah Prophecies to America

What happens in 100 years?

America is in trouble (see Isaiah 5:20-25)

Jeremiah still speaks

Disclaimer: this is not direct revelation (Deut. 18:20-22)

I do not believe we can directly equate America with Israel, not in promises given or judgments pronounced.

Still, we must consider the pathway to Jeremiah's warnings.

1. Stop accusing God of doing wrong. (2:2–9)

Why? It's an excuse to reject Him.

What do we find wrong with God that our ancestors didn't?

Why aren't we asking, "Where is the Lord"?

2. Your Godless self-effort and self-confidence doesn't hold water (2:11–13)

The heavenly witness

We're guilty of the same sins:

Haven't we also forsaken God?

Don't we believe our godless solutions will work?

Warning (2:19)

3. Our so-called wisdom leads us to follow delusions.

3:22 – follow a delusion

6:10 – scorn the word of God and refuse to listen

6:19 – refuse to listen and reject God's word

5:12 – deny that God will judge

4. We Reject God's Remedy (6:16)

5. A Positive Encouragement (Psalm 146)

America, wake up! Church, arise!
