

Thriving with Joseph, pt 7

Genesis 50:15-21

The Magic Thread

The non-Thriving worry about revenge (15-21)

Why did Joseph weep?

Offer a less severe consequence

It's hard to manage fear; grace vanquishes it. (19-21)

Thrivers are less interested in the evil others
intend and devoted to how God is working for
His good – which will also be for our good.

**Thrivers evict revenge and pursue grace, kindness, and
comfort. (21)**

Let your life play God's music.

Get the right glasses

You don't need a magic thread, you need a
redemption thread.

It's time for a renewed commitment.
