Bible Greats, pt 1: Creation and God

1. If you have one, share a favorite uniqueness in creation that propels you to see God's hand in it.
2. We often dive right into the creative work of God and fly right past *In the beginning, God*. Why is it important that we pause to consider God first?
3. In the message we highlighted 11 attributes or revelations about God connected to creation.
Pick a few that stood out to people in your group and explore them more deeply.

Where in the text do you find them?

Can you find other passages that supporting or expand on that attribute? What do they add to your understanding?

4. How does creation speak to you personally about God's care for our needs?
5. Is God's day-7 rest (sabbath) more about recovering from work (tiredness) or focusing our hearts (holiness; set apart)? What in the text informs your answer? What difference does it make?
6. Read John 1. What connections do you find there with Genesis 1?
7. What would you like to discuss about God in creation that hasn't already been raised?
8. What is your biggest take-away from this study?
