

Bible Greats, pt 11: **Great Life Lessons, pt 1**

Lessons

When God calls, don't make excuses (Ex 3:1-12)

Who am I? = I'm not good enough

Newsflash! There's always someone better by man's standards.

Issue: not who's better but who's appointed

God's answer

I have no authority (Ex 3:13-15)

God's answer: here's my name

The source of authority is God, not you

They won't believe me (Ex 4:1)

Fear: I lack credibility or authority

God's answer: here's proof

I can't speak well (Ex 4:10-17)

God's answer: who mad your mouth?

Making excuses and arguing with God is a losing proposition.

Sometimes the preparation process is long

God is not in the hurry we are.

Today's problems are tomorrow's preparations.

God sandblasted his character to make him useful.
