

Discussion on The Four Spiritual Laws of the Harvest

Galatians 6:6-10 Message from May 4, 2025

Read Galatians 6:6-10

1. In Genesis 8:22, the principle of "seedtime and harvest" is first mentioned. In what way does it relate to the concept of sowing and reaping in Galatians 6:6-10?
2. Reflect on a time when you experienced the principle of reaping what you sow (positive or negative). How did this experience shape your understanding and your actions moving forward?
3. Discuss the consequences of "sowing to please the sinful nature" as described in Galatians 6:8. How have you seen this principle play out in real life?
4. What does it mean to "reap eternal life" when we sow to please the Spirit? How does this concept shape your understanding of spiritual growth and rewards?
5. What does verse 9 teach us about God's "harvest timing"?
6. As you reflect on verse 9, What are some practical ways we can avoid becoming "weary in doing good"? What strategies can we use to stay motivated and persistent in our spiritual walk?
7. Paul mentions doing good to all people, **especially** to those who belong to the family of believers (Galatians 6:10). In what practical ways can we support one another in our walks in the Spirit, as suggested in the text?
8. How does walking in community help in our spiritual growth and accountability?
9. In what ways might supporting each other in our walks benefit non-believers?
10. What are some practical things we can do to ensure that we are sowing good seeds and reaping positive outcomes?
